- **Even though I** have not been member of FRC for sometime, I feel I have lot of friends there. Many of you know that my leukemia came back in Feb of this year. In March I was at Cancer Centers of America for 4 weeks having a round of chemo. CTCA was okay but we found it to be too far from home so we transferred all my paper work to Mayo. Right now we are here at Mayo. I have started a 5 day round of chemo and on Thursday I will receive a donor's stem cells. Much of my time here will be as an out patient. The average stay in Rochester is about 100 days. We are staying in a very nice transplant house with about 40 other couples. *My address is Carol Van Stelton Gift of life Transplant House, 705 Second St SW, Rochester, MN 55902, vanstelton51249@yahoo.com. Please keep me , my family, the doctors, nurses and every one else involved in this journey in your prayers. I'll try to keep you informed as ho things are progressing. Thank you! ~Carol Van Stelton*
