- **Carol Van Stelton** is a former member of FRC and a friend to many of you. She recently sent a prayer request for FRC. It is pasted below. Please keep Carol in your prayers. "I am In Zion, Il at the Cancer treatment Center of America. The leukemia is back and we decided to hit it hard. 3 weeks ago we were in contact with Cancer Center and they said it would be 3-6 months before they could see me, but a week later they called that they had an opening this week. We feel this was really a "God thing" and we were very comfortable coming here. Monday we drove in, Tuesday I was admitted, yesterday I had blood and platelets given to me and today they started a 5 day regiment of chemotherapy. Plans are that I stay here about 30 days and then we discuss the next step with the team of doctors here. Being it is a cancer center that is all they deal with and they are very progressive. Beside the chemo I'm allowed to take many natural vitamins and supplements, which we real feel helps the immune system. Please keep me and my family and the staff here in your prayers. Thank you."
