- **Thank you** for your financial support and thank you to the volunteers who helped with the distributions at the recent Osceola Ministerial Back to School With a Smile Program. 180 students received school supplies for the upcoming school year which was the largest number of students served for the history of this program. Parents and students repeatedly voiced their thankfulness for this assistance in preparing to return to school. Students certainly had smiles as they left with their new backpacks filled with school supplies. Thank You!
