Do you enjoy working with children and want to be your own boss? The Iowa Department of Human Services is offering a Child Care Ready program for anyone thinking they might be interested in opening up their own in-home daycare. Currently both county and state wide we are experiencing a child-care crisis. The current daycares and in-home facilities simply can not keep up with the demand for quality child care. So if owning your own childcare business has an interest to you - please go to <https://us02web.zoom.us/j/81912345678> (in the address - those are capital I s (eyes) not ones) or direct questions to Danielle Hale, CCR&R Business Development Specialist at dhale@midsioux.org. The deadline to register for this program is April 7, an online orientation begins April 8 at 6:00 p.m. This program is endorsed by the Iowa State Extension Council of Osceola County.
