The Annual Father-Son Fishing Trip is still being planned for August 6-8. If you are interested in joining this fun-filled weekend, please contact Chris Wynia, Dan Heilman or the Church Office.

We will soon be updating our video recording equipment in the sanctuary.

The new equipment will be able to live stream services instantly and seamlessly with new features that should really improve viewing quality.

We know many people within our church, and even many who are not congregants, are taking advantage of our online services. With that in mind, we would like to offer the opportunity to you as a congregation to help fund this project which will total approximately \$24,000. We as a Consistory feel this is a worthwhile project, especially considering the circumstances of the last few months which has created a lot more online viewership. If you would be interested in supporting this project, please designate the money towards "Sanctuary Video Equipment" Thanks for your support!
