Words of Thanks

The summer program for Feeding Kids is over for this year and everyone is feeling blessed. Nearly 900 lunches were served over the "school's out" months, but it couldn't have happened without the assistance of this community coming together on this project. We were given food in abundance straight from wedding receptions, funerals, picnics and community events. Food came to the kitchen from families in this community on a regular basis. Many people gave money to buy what we needed, as well as our local grocery store. We were blessed. People came forward and volunteered their time to work those morning and noon hours and new friends were made. People from most every church responded beautifully and we feel confirmed by these actions. We could list names of those who were there nearly every day working and those who came only a few times, but it would be quite a long list so just please know that each of you were very much appreciated and we couldn't have done it without you! Until next year!
