Twenty years ago, we were getting closer to moving from 1999 to the year 2000. I recall all the concern and talk of what was possibly going to happen when we moved into the new millennium. There was this great concern that computers were going to crash, we would possibly be without power for a period of time and it would affect the banking system and so much more.

Some people panicked and became what they called “preppers” and went out and stockpiled food, some built underground shelters, bought guns and ammo, and others, moved off the grid. When the year 2000 came, nothing happened. January 1 of 2000 was not much different than December 31 of 1999.

Right now, there is anticipation and uncertainty as to what’s going to happen in the RCA. Many of you are aware that the big issue is same sex marriage. Currently the RCA continues to take the stand that marriage is between a man and a woman. As of now we also know there has been conversation about our stance in the future.

As a consistory we have had some discussions about what is currently happening in our denomination. The RCA has asked churches to be patient and let the process play out. It will be at that point that churches can decide what they want to do. We have decided to stay that path for now. What we are seeing are churches that seem to be panicking and have already left the denomination. I know several who have done that including the one my parents go to. That change hasn’t currently turned out to be overly beneficial. I know of another church who has moved that direction and is now second guessing if they moved to quick.

We also have churches that are making statements about their stance without knowing the final decision. They also, are showing a lack of trust and patience. All these movements forward are being done based on what they think might happen but with no certainty that they will. Just like the millennium.

Our new General Secretary as well as our new President both take the stance that marriage is between a man and a woman. That would indicate that we will prayerfully come to a decision to not change what has already been established. There is a team of individuals from many of the different classis working on a possible outcome. They are called the “Vision 20/20” team. Twenty individuals discerning a possible direction by the year 2020. Next year at General Synod we will see what happens.

What we do know is that no matter the outcome there will be pain as a denomination and we will see churches leave. People’s lives will be affected and I’m sure God will mourn the pain we as Christians will go through. This decision is not about one side winning and then celebrating a victory. It is for us to mourn how it will affect God’s people and our witness to the world. Our prayer should be for understanding, compassion and love for any of God’s children no matter their sexual preference. Our call is to love our neighbor as God has loved us.

We are committed as a church to work hard to do ministry in a changing world. We want to stay true to the Word of God. We will continue to recognize sin, no matter what it looks like, and call for repentance. However, we need to be compassionate, merciful, caring and loving to those whom God puts into our lives.

I want to encourage you to intentionally pray for our denomination in this coming year. Pray for wisdom, guidance and a decision that will stay true to God’s holy and inspired Word and brings honor to Him. Pray for our church as we wait patiently and without panic for what God will do. If you have more questions about what is happening, you can go to the RCA website for more information. www.rca.org or you can talk to me.

Love you all!
Pastor Luke

Bible Study Opportunities

Such things were written in the Scriptures long ago to teach us.
And the Scriptures give us hope and encouragement as we wait
patiently for God's promises to be fulfilled.

Romans 15:4

Faith Bible Study, who meets the third Monday of most months, will meet on **Monday, July 15 at 9:00 am** in the Library. Lesson leader will be Anita Ernst and Jeannette Juffer will serve as hostess. We will begin our new study called "Busyness" by Juanita Ryan. You are welcome to join us as the discussions help us understand the word of our Lord. Here is a quick synopsis of the book: "Much of our busyness is necessary to our survival or to the wellbeing of others and ourselves. In the whirlwind of our lives, however, it may seem impossible to focus beyond the noise of daily demands. We long for a greater awareness of God with us. This LifeGuide study explores ways of conversing with God in the midst of things, so we can see our day's work as the joyful service of kneeling before Jesus."

Patience Bible Study, who meets the third Monday of most months, will meet on **Monday, July 15 at 4:00 pm**. We will continue the study, Couples of the Old Testament, with lesson #7, "David and Abigail." Barb will serve as leader and Jan Juffer as hostess.

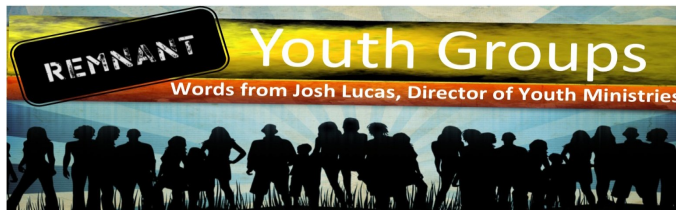

Monday Evening Women's Bible Study, will be on Summer Break until Fall.

The Men's Bible Study, is on break until Fall.

Hello First Reformed Church,

Your Devil Crushing Ninja Trainer (Youth Director for short) here to give you all an update on what is happening in youth group and just to offer some type of encouragement. We are continuing youth group throughout the summer so check my door for location and times. Also, if you would like to host a youth group night please feel free to sign up on the calendar on the information center in the Fellowship Hall. The High Schoolers and I are leaving for Texas July 6th and will be returning the 14th for our annual work trip! The Junior High group and I will be leaving for Power Connection July 26th and will be returning July 28th! Those are the biggest things happening in the youth group right now!

As we just celebrated Father's Day this last month I have been reminded of the importance of Fathers. Father is one of the highest honors any man could ever receive in their lifetimes. Being a Father isn't just a man who shares the same DNA as you. A father is one who is there to guide you each and every day. Who will protect you when you feel scared, who will raise you to know Jesus, and who shows respect and honors your mother. Just remember Fathers if you feel like you cannot be a "good enough" father to step children, foster children, adoptive children, etc. Joseph was Jesus' adoptive Father. The role of being a Father doesn't require being the biological father. The role of Father requires: love, discipline, respect, and guidance, which is what we are all called to do as Fathers. Being a Father is not easy it is a very hard job that never ends, but it is one that is so rewarding. Thank you for all that you do Fathers!

Just remember if you ever need a hug this big ole teddy bear has got one for you!

Lots of love,

Josh Lucas

Jokes with Josh:

A man is talking to God. "God, how long is a million years?" God answers, "To me, it's about a minute." "God, how much is a million dollars?" "To me, it's a penny." "God, may I have a penny?" "Wait a minute."

College Addresses

Since we have had a few requests for our College Students' Addresses, we thought we would publish them. Being away at college can be a fun time. However, it can be a time filled with uncertainty and loneliness. If you get a chance, go ahead and drop a note in the mail to these students. You never know, it just may be exactly what they needed at that very moment. Parents, if you do not see your child's address listed here please let the church office know so it can also be published next month.

Sportsmen's Devotional

Bible Study Verse

Romans 12:10-11

As to brotherly love, kindly affectioned towards one another: as to honour, each taking the lead in paying it to the other: as to diligent zealousness, not slothful; in spirit fervent; serving the Lord.

Thoughts

Today is the day we Americans celebrate our costly freedom. Each and every family has lost precious family members who have fought, returned with physical and emotional scars or died for our heritage and our freedom. In honor I say "THANK YOU" to those who gave their lives, those who have served, and those who are serving in the United States armed forces. What an honor it is to be an American and to be blessed with our freedoms that are in jeopardy.

The privilege of hunting is one freedom that we never thought might be taken from us without our consent. It is a current threat here in America. In my family, we eat what we hunt. In these slim times, we thank God for the food and the health to seek it. The money we spend for a hunting license and the tag goes to wildlife conservation. Before this was in place, many a deer died from starvation from a severe winter and a lack of food. This is a cruel death.

Action Point

Many have given their lives to protect and to preserve our freedom. One life is so precious and the highest price to pay. Our military serve with the right spirit. Today take the lead by sincerely voicing appreciation, shaking hands, and saying "THANK YOU" to anyone who has served or are serving in the military.

Gather with friends and family and watch NRA's Life of Duty ***Defending Our America***. There are 9 short episodes. We are not being told by the liberal media what is going on and why the amount of crime that is increasing here in America. This should wake up those who are sleeping.

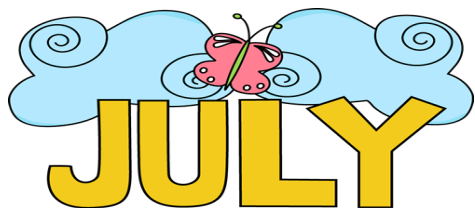

Remember, Jesus Christ paid the price for our eternal freedom with His life. Then in His infinite wisdom, He lives within our hearts and walks us through this life to Heaven. He will never leave you, forsake you, and has promised to always love you while meeting your every need. What an awesome win, win freedom. You have one requirement. You have to ask Him to forgive you for your sins and accept His free gift of salvation.

Sportsmen's Tip of the Day

As important as the role of the president is, it is not up to the president to make sure that we remain a "good" nation, a "Christian" nation. That task is up to us. We the people will determine what is "good". We are the ones who can call the nation to revival, to turn, and to be saved. We need to be sure that those who represent us represent our values (as well as our position on hunting and fishing). It's going to take everyone of us to pray, to fast, and to change this country's leadership back to those we can trust and follow.

Trivia Time Answers!!!
