

## IN THE SPOTLIGHT

As we celebrate our Freedoms and Independence this 4th of July let us never forget all those who fought for those freedoms. We thank you for your service. May God bless each and everyone of you.

### *The Noble and the Brave: A Veteran's Tribute*

When America had an urgent need,  
 These brave ones raised a hand;  
 No hesitation held them back;  
 They were proud to take a stand.

They left their friends and family;  
 They gave up normal life;  
 To serve their country and their God,  
 They plowed into the strife.

They fought for freedom and for peace  
 On strange and foreign shores;  
 Some lost new friends; some lost their lives  
 In long and brutal wars.

Other veterans answered a call  
 To support the ones who fought;  
 Their country had requirements for  
 The essential skills they brought.

We salute every one of them,  
 The noble and the brave,  
 The ones still with us here today,  
 And those who rest in a grave.

So here's to our country's heroes;  
 They're a cut above the rest;  
 Let's give the honor that is due  
 To our country's very best.

## Words from Pastor Luke

I sit looking out my window at the clouds and the rains that have fallen the previous night. I am reminded how big and awesome our God is. As we plant our crops it is God who brings the rains and of late, has he brought some big rains. It got me thinking about the magnitude of water that has fallen on the ground around us. I googled this statistic. One inch of rain falling on 1 acre of ground is equal to about 27,154 gallons and weighs about 113 tons. Last night we got about 3 inches. That equates to 81,462 gallons of water weighting about 339 tons on a single acre!

If you have ever tried to water your lawn after planting new grass you know it takes a lot of work and it takes a lot of water to keep it growing. In a matter of hours God opens up the skies with rain that covers more ground than we could ever imagine. It is done in an instant and in His perfect timing. The amount of rain water is unbelievable. Isn't God great!

This is the God who loves us and desires to be in a relationship with us. This is a God who was willing to sacrifice His one and only Son for us. Have you taken the time this day, this week, this month to reflect on the beauty and joy of your relationship with Him. Why would we ever want to think that we can live our lives without Him. There is no one like our God.

Over the last several weeks I have truly enjoyed our sermon series on the 10 commandments. It has been a great reminder to me of how valuable they continue to be within our lives. Our Heidelberg Catechism is divided into three parts. They are Sin, Salvation and Gratitude. If I were to ask you where you would find the 10 commandments in the catechism what would you say? For some it might be the sin section, others maybe the salvation section. The truth is that the 10 commandments are in the gratitude section.

As God has given us the commandments we are also reminded of the grace he gave to each of us. Because of that grace it should be our desire to live our life as best we can to please God. The commandments were a gift from God for us to be able to enjoy the fulness of life. They strengthen our relationship with God and they strengthen our relationship with others. Thus, the summary Jesus gave when he was among us.

Mark 12:30-31. "Love the Lord your God with all your heart and with all your soul and with all your mind and with all your strength.' The second is this: 'Love your neighbor as yourself.' There is no commandment greater than these."

This summary is also found in Matthew and Luke. We see great value in the commandments God has given us. I encourage you to continue to join us as we discover how we can grow our relationships with others. My prayer is that the commandments will continue to be embedded into your lives.

On a side note, I want to encourage and lift up in prayer our summer activities. Pray for those attending summer camps, the High School Mission Trip to Texas, Power Connection for the Middle Schoolers and our College Trip to Louisiana in August. These are great opportunities to grow our young adults into individuals who passionately love the Lord and will go out into the world and serve.

Enjoy your summer and keep God close!

## July Faith In Action:

**School Supplies!** The  
Osceola County Minis-  
terial Association

(O.C.M.A.) buys school supplies in bulk to be distributed during school registration (August) to low income or needy families. This year, instead of having individuals buy school supplies, the O.C.M.A. is asking for monetary donations. If you would like to contribute to the School Supply program, you can do so through your offerings with School Supply designations on your check. You can also give directly to the O.C.M.A. by dropping off any money to any of the pastors in town. Thank you for your continued support of the O.C.M.A. projects!

## Women's Bible Study

**Faith Bible Study**, who meets the third Monday of most months, will meet on **Monday, July 16 at 9:00 am** in the Library. Leader: Anita Ernst; Hostess: Jane Buysman. Come join us as we discuss, Lesson 10, "The Fire Next Time" from the book *1&2 Peter And Jude*. Scripture for the morning is 2 Peter 3. The final chapter of Peter's final letter speaks of an end, but an end with hope. We will be starting a new study in a couple of months, if you are looking for a Bible study, consider joining the Faith study.

**Patience Bible Study**, who also meets every third Monday of most months, will meet on **Monday, July 16 at 4:00 pm** in the church Library. We will be studying Lesson 11, "Making Forever Friends," from the book *End Times* by R. Paul Stevens. Barb will lead and Kathy will be hostess. If you are interested in joining this study, please let Barb Van Diepen know and she will get you a book.

**Monday Evening Bible Study** meets weekly on Monday evenings at 7:00 pm.

Marvella and Lennis Harberts  
Diane and Arnie Langstraat

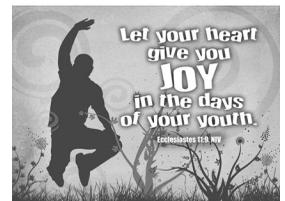

Hello First Reformed Church,

Your wacky Youth Pastor is here giving you a big update on the Youth Groups! There's some sweet things that are happening! WINTER IS FINALLY OVER!!!! PRAISE GOD FOR TAKING AWAY THE SNOW! I'm a little excited about that. I just cannot believe how much snow there was, and the length that it lasted. I know what you're going to say, "It is not normal." I have heard that about one hundred times, so I think I understand that this is not normal weather. Now that I got all of that out of my system let's get to the Youth Group! Do you have your seat belts on? HERE WE GO!

We have started our Summer Bible Studies! This is not a formal youth group meeting. We are just wanting to give students the opportunity to come and enjoy some snacks, fellowship, and Bible Study. The names that I have for the groups don't rename the youth group, instead they are just our summer small groups. We first have "Zeal" which is our Junior High group. Here we learn how to become passionate and excited about our relationship with Jesus and our faith. Second, we have "One SixTeens" which is our high school group. Here we live out Romans 1:16, "For I am not ashamed of the gospel, for it is the power of God for salvation to everyone who believes, to the Jew first and also to the Greek." Third, we have "Uprising" this is our Senior Bible Study. This study is for oncoming Seniors and just graduated seniors. Here we learn how to rise up against the world, and raise up the Kingdom of God. These are the Bible Studies for the Summer! There are plenty of opportunities for students to get connected. I encourage all students to bring along a friend to study group.

Our mission trip to Texas is ready to go! We are all set with signed-up students and adults! Thank you again for your continued support! We would still love prayer and encouragement as we travel to the other side of the country to spread Christ's love and serve others! We have six students and four adults signed up for a total of ten participants!

Finally, Power Connection is also ready to go! We have twenty-one students signed up! That is so cool! This summer is going to be a busy one! So if I look like I'm full of energy and am on caffeine, chances are I probably am! (Just kidding... or am I. Muhahahaha!) Thank you for supporting the youth groups and all who are attending and leading it! We can't do these ministry things without you and your support! As always if you need a hug, this big ole' teddy bear has got one for you!

Lots of Love,  
Josh Lucas

Jokes with Josh:

Q: Why didn't they play cards on the Ark?

A: Because Noah was standing on the deck.

# College Addresses

Since we have had a few requests for our College Students' Addresses, we thought we would publish them. Being away at college can be a fun time. However, it can be a time filled with uncertainty and loneliness. If you get a chance, go ahead and drop a note in the mail to these students. You never know, it just may be exactly what they needed at that very moment. Parents, if you do not see your child's address listed here please let the church office know so it can also be published next month.

**A kindergarten teacher** was walking around observing her classroom of children while they were drawing pictures. As she got to one girl who was working diligently, she asked what the drawing was.

The girl replied, "I'm drawing God."

The teacher paused and said, "But no one knows what God looks like."

Without looking up from her drawing, the girl replied, "They will in a minute."

## Bible Study Verses

Revelation 20:2

He laid hold of the dragon, that serpent of old, who is the Devil and Satan, and bound him for a thousand years. (NKJV)

## Thoughts

Yesterday, a friend played a joke on me with a rubber rattlesnake, bringing back a flood of memories from years past . . .

My son, 13 at the time, was with me on a quail hunting trip. We were camped out in a remote area with friends. It was my son's first time out carrying a shotgun, my old HR 20-gauge single-shot.

We had walked out of camp to hunt a nearby wash where we had heard quail calling. We hadn't gone far when I heard "SNAKE"! As I looked over toward my son, I saw him bringing his rifle up from the hip, and at the same time saw a huge rattler raise its head like a cobra ready to strike.

The 20-gauge sounded its report and the snake's head was gone. That night, we ate snake for dinner; and today, the snake's skin adorns a rifle sling. After this experience was over, I am not sure who was more relieved, my son or myself. What I am glad for is the snake's demise and the protection my son received.

## Action Point

That snake experience was scary for my son and me. We both cried when it was all over. There is a snake (serpent) that stalks each of us today. He knows our weak, unprotected selves, and works to strike when our guard is down.

By reading the whole story in our Bible, we find that Jesus has already defeated this "serpent" on the Cross, will soon have that serpent thrown into the pit for a thousand years, and later thrown into the lake of fire.

Our 20-gauge is our ability to call on Jesus for protection and help when we find ourselves under attack. If we ask, He has promised us that **HE** will help us overcome Satan and change our lives. How awesome it is to know that He is there for us 24/7 with strength beyond our wildest dreams.

Don't rely on your own strength. Read the whole story and see for yourself how it ends; then, claim **HIS PROMISES**.

## Sportsmen's Tip of the Day

When hunting in snake habitat, high-top boots or snake guards can be a good protection against getting bitten. Study up on your first aid for snake bite treatment; know the proper care for a bite. Rattlesnake bites can not only be severe, they can be deadly.

Hello everyone! Jurnea Harberts here! Just wanted to give you a brief summary of what my dad and I did while we were in Romania and Hungary. Dad and I flew out on Thursday May 10th, in the afternoon, and arrived in Budapest, Hungary on Friday May 11 later in the day. From there we were greeted with amazing smiles and great big bear hugs! We got our luggage and headed out to find something to eat and then headed to our hotel.

The first "official day", May 12th, we spent mostly driving. The drive from Budapest to Lupeni where the Lampens live is about 6 hours. On our drive we stopped to see an ancient Romanian ruin location that was from the first century. After that we finally made it to Lupeni. We got to Jeff and Chelsea's apartment where we had to climb five flights of stairs. Let's just say I really didn't ever want to leave because I wasn't looking forward to going up the stairs when we got back! Once we got to the Lampen's apartment the first night we sat around catching up and basically having some needed family time.

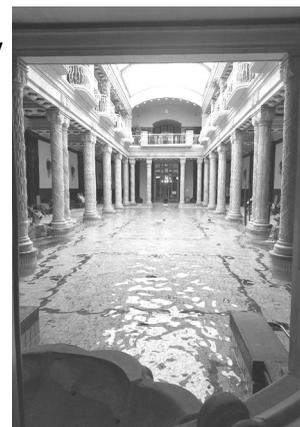

The second day, May 13th, we were in Lupeni was a Sunday, so dad and I got to see where the Lampens attend church every Sunday. This church has an orphanage connected to it. Even though I had no idea what the pastor was saying, the songs and sermon were amazing to listen to. It was a beautiful service in a Baptist church where we also found out that Chelsea partakes in singing in their church choir! Later that day, Jeff and Chelsea had to have a meeting on their computer for work, so dad and I took the kids and went exploring. I got to taste actual mountain spring water which was awesome! Then dad took me to see the spots where they are putting up cabins and where the ropes course is that our church has been working on. When we got back, it was time for supper and then bed.

The third day, May 14th, we went to visit the Corvin Castle, or the Hunedoara Castle. This castle is actually one of the seven wonders of Romania. Also this castle is in the movie Ghost Rider 3, right where you have to walk in at. Dad had already been there and had toured it, but it was my first and it was amazing. We spent awhile at the castle, ate lunch, and then headed to an indoor pool where the Lampens go to cool off, or in our case, warm up because that pool was very warm. After we went swimming, we were quite tired so it was time to go home and off to bed.

The fourth day, May 15th, was a rainy day. It was also a day that we spent with Jeff and Chelsea's friends. Dad, Chelsea, Lorelei and I went to a book reading at the library. After that we went out for dinner at a beautiful restaurant named Casa De Vis which means "House of Dreams". For supper that night we went to a couple's house to hang out, and I was able to cut their children's and the mom's hair! It was so much fun!

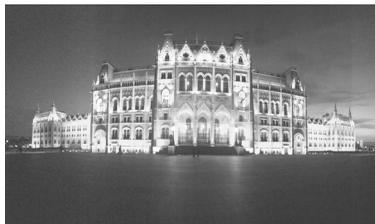

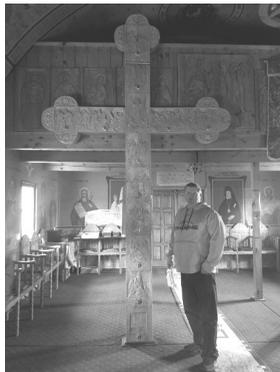

The fifth day, May 16th, we all drove up the mountain to Straja. There we got to see whispering hall, a beautiful cross at the top of the hill, a little Catholic church, and a bear that they have semi-tamed, named Baloo! I even kissed the bear! After we got down the mountain, we drove to the area where the cabins are being built for the camp. We found the rocks for the layout. I was overwhelmed with how beautiful the sight was all around us. When we were done taking many pictures, we hiked back down the hill and drove a little down the road and hiked up to the spot where the ropes course is. Dad, Jeff, and I hiked up the mountain to Camp Viata. Dad showed us where all of the different courses were. Everything was still intact, and they added a few things. After Jeff and I tried out a few of the ropes courses, we hiked back down the mountain. When we were back down, we went out for supper and then back to the apartment to pack up and get ready to head to Budapest.

The sixth day, May 17th, was another long day of driving. We drove back to Budapest to spend the last two days of our trip there. But before we went to Budapest I was able to see where Jeff and Chelsea spend most of their days working. It was a small little office but still nice. I met some of their coworkers and they were very nice as well! Instead of getting a hotel room in Budapest, it was cheaper to rent an entire apartment so we did that instead, which was beautiful. This day was spent site seeing. Budapest is AMAZING! We saw the Parliament building, the President's house, the bridge that goes over the Danube River, and we walked around a castle looking building. That night Jeff, Chelsea, Lorelei and I rode on a huge Ferris wheel called "The Eye of Budapest". It was definitely the best Ferris wheel ride, and the most beautiful one I have ever ridden on. After we rode on the Ferris wheel, we decided it was time to go home. We all knew it was going to be a long day the next day because we were going to shove a lot of site seeing into one last day.

The seventh day, May 18th, Dad, Chelsea and I woke up very early and went to one of the Budapest Bathes. This specific bathe was built about 4,000 years ago. There were seven different pools in the building. One of them was like a giant hot tub. The temperature was 40 degrees C. After swimming, we went to pick up the kids and Jeff and headed out to start seeing the rest of what we could in Budapest. First we went to St. Stephen's Cathedral a huge Cathedral that we could take an elevator to the top of and walk out to see some of Budapest. When we were done there, we went to the biggest market I have ever seen. The first floor was all food, but the second floor was all souvenirs or anything you wanted to buy. We spent about two hours walking around there. When we were done trying to find everything we wanted, we left to go eat, and we decided we wanted to go back out that night. Chelsea stayed with the kids, and Jeff, dad, and I went to see the city at night. The main building I loved most was the Parliament building. When I saw that building at night, it brought tears to my eyes. God really does do amazing things in this world. This building took my breath away!

The next morning we had to leave early to head to the airport. It was a hard day saying goodbye, but we know that God is watching over Jeff, Chelsea, Lorelei, and Caspian. Even though we were only allowed a short time overseas with them, I am so thankful I still was blessed to be able to see them and be with them again. Please pray for their health and safety as they are in Romania. Thank you!!!
